Welcome to the Searcy County Fair INC

The Searcy County Fair is ran entirely of Volunteers. People who are committed to providing the Youth of Searcy County a positive and educational experience.

The Searcy County Fair was established in fall 1909. Research suggests the original fair location was actually in Leslie and later moved to maybe to the present day National Guard Amory site and then in the 60's the Fairgrounds was placed at the present day site. The Searcy County Fair could very well be the oldest existing establishment in Searcy County.

The fair occurs for about 6 days out of the year, but the planning, scheduling and over site is a yearlong process. The all-volunteer Crew give their time, energy and money to the betterment of the Searcy County Fair to make the event the best possible experience for all the exhibitors, spectators' and buyers.

The Searcy County Fair, Inc receives donation, coordinates fundraiser and receives limited State Funding for the general maintenance and up keep of the Fairground, buildings, barn and keeps the utilities on. **The Searcy County fair receives no funding from the county or the city.** When you make a donations to the Searcy County Fair INC you are preserving a Historical Icon in Searcy County

Phil Reid Memorial Tractor Driving Event

The purpose of the Searcy County Fair Safe Tractor Driving Event is to provide an opportunity for FFA and 4H youth to exhibit safe tractor practices and to showcase skills in tractor driving, general knowledge and to encourage learning through use of practical skills and applied knowledge.

To provide recognition of those who have demonstrated skills and competencies as a result of instruction in tractor safety. Objectives

- To instill leadership and motivate learning in the classroom through development of student skills in cooperative learning, observation, analysis and communication.
- To develop and exercise competitive spirit.
- To create a foundation for career choices by building an awareness of opportunities within tractor and equipment safety.
- To advance knowledge in tractor and equipment use, maintenance and safety.

PART IV - TWO-WHEEL TRAILER COURSE

Procedure:

(Two scores should be available - one for timing and recording scores and one for measuring and observing operation. One stop watch and ruler will be needed.)

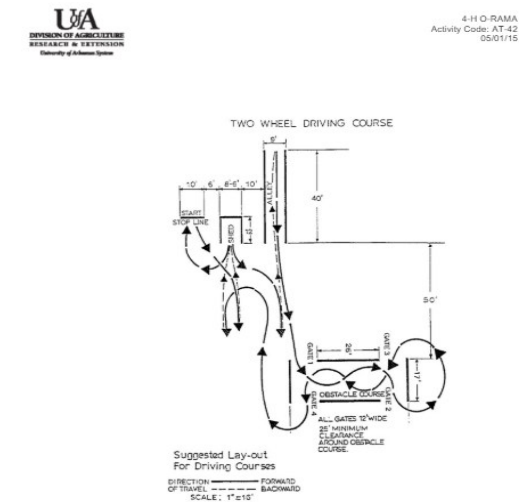

(A two-wheeled spreader or trailer with 8 x 12 foot frame is specified. However, if this size trailer is not available, clearances will be adjusted for size available.)

1. The tractor is positioned on the starting line. The contestant starts the tractor, leaves engine running with brakes set or transmission in park.
2. Contestant signals official that he is ready to begin. Official signals to start.
3. Line up with two-wheel trailer and hitch safely. Pull trailer from shed, and line up with 40-foot alley. Back down 40-foot alley until signaled to stop. Pull back through alley and proceed to Gate 1.
4. Drive the implement through Gates 1 and 2, around the end and back through 3 and 4.
5. Line up implement and back into shed, unhitch.
6. Return tractor to stopping line and stop engine (time stops when engine fan stops).

Rules:

1. When dismounting from tractor, both brakes must be set with transmission in neutral or in park.
2. Time begins on signal from scorer and stops when contestant returns trailer to starting line and engine fan stops.

Scoring	Penalties	Score
1. Number of direction changes other than necessary in travel		X 10
2. Stakes, markers, or lines touched, knocked over, crossed or driving through figure 8 incorrectly		X 10
3. Tractor Engine:		
Stalled		X 10
Grated Gears		X 10
Riding Clutch		X 10
4. Measurement in wheel (nearest whole inch):		
a. Inches off-center at front		X 10
b. Inches off-center at rear		X 10
c. Inches from rear center post (within 1 inch is perfect)		X 10
5. a. Time (Minutes _____ Seconds _____) Total Seconds		X 15
b. Exceeding 8 minutes		100 points
c. No spotting trailer		1000 points

EXHIBITION HEALTH REQUIREMENTS FOR LIVESTOCK AND POULTRY

The fair board of any county, district, or the state fair reserves the right to have a blood and urine laboratory analysis made for any animal at their Fair..

Any exhibitor administering a drug to an animal which would render the carcass unfit for human consumption or any exhibitor of animal producing an analysis indicating the presence of an unapproved drug that can result in a quantitative or qualitative change in the characteristic of the animal will be required to return all Ribbon money "Fair Checks" and could be banned from further competition. Their name and the lab analysis will be submitted to the USDA & FDA for further investigation and possible prosecution.

DISCLOSURE: Any animal receiving medication for any life threatening disease or illness must be registered/disclosed at the time they are entered in the fair.

Arkansas Department of Agriculture Rules and Regulations For livestock and Poultry exhibitions can be found at https://www.agriculture.arkansas.gov/wpcontent/uploads/2020/05/Exhibition_Requirements_Jul_2018.pdf

"WARNING: Under Arkansas law, an equine activity sponsor, livestock activity sponsor, livestock owner, livestock facility, and livestock auction market are not liable for an injury to or the death of a participant in equine activities or livestock activities resulting from the inherent risk of equine activities or livestock activities."

Selecting and Preparing Specimens for Exhibit

Quality and Condition

- 1) Specimens of food crops should be of edible maturity, not over-ripe, shriveled or wilting.
- 2) Specimens should be free of injury from disease, insects or mechanical means.
- 3) Color should be uniform and typical for the product.
- 4) Specimen shape should be typical of the variety.

Size

When selecting items for display, remember that "bigger is not necessarily better." Too large may indicate coarseness and poor quality in some specimens. Medium to slightly above medium is desired.

Specimens should be of marketable size - typical of the variety.

Type

Specimens selected should be typical of the variety. This may be indicated by size, shape and color.

Uniformity

One of the most obvious aspects of a display is uniformity. Uniformity is very important in "blue ribbon" quality exhibits. Specimens should be uniform in size, shape and color as well as in their texture, quality and degree of maturity.

Size - All specimens in one exhibit should be uniform in size.

Specimens should also be of a size typical for the variety - not too large or too small.

Shape - Select the typical shape for which the variety is known. If possible, provide the specimen variety name. If an unusual variety is exhibited, it is recommended that a note describing the variety be placed on the exhibit tag.

Color - Color should be uniform for all specimens. Color should be typical for the variety.

Specimens with more intense or deeper color usually are preferred.

Maturity - Specimens should be at similar stages of maturity.

Prime maturity is when the specimen is

at the best stage for eating or storing, as the case may be.

Presentation - Specimens should be presented uniformly. For example, all beans should be lined up in a uniform manner - stems on one end.

Condition

The condition is a measure of how the crop has been handled.

Freshness - Specimens should be harvested and prepared as close to the exhibiting date as possible to prevent wilting and shriveling.

Cleanliness - Refer to the Exhibiting Tips section of this booklet for cleaning recommendations for each type of crop. Specimens should be free from soil, dust, and spray residues as well as other foreign matter, including oils or waxes used as polishing agents.

Many vegetables and fruits lose quality if washed. Do not wash specimens for exhibit unless absolutely necessary. Use a very soft cloth or brush to lightly remove any soil. Washing may remove the desirable waxy "bloom" on some specimens (see below). Washing gives an unnatural "scrubbed" appearance on some specimens.

Avoid skinning and bruising specimens when cleaning them. Any dried flowers or blossoms should be removed. of this booklet.

Bloom - Some specimens have a natural waxy coating on the surface. Clean this produce carefully so that the bloom is not removed.

Trimming - Specimens should be neatly and properly trimmed. trimming recommendations listed. At time of harvest, stems and tops should be trimmed longer than recommended; this allows for shrinkage and shriveling. The exhibitor should delay trimming to the recommended length until just before transporting the specimens to the Fair for exhibit. Use a sharp knife or kitchen shears to trim.

Display - Exhibitors are to provide on display of white container. May use plates or bowls may be placed inside a zip lock bag to protect the product until judging can be completed.

Care & Custody Livestock, Poultry and Rabbits

1. Junior livestock entries is to be performed by the exhibitor whose name appears on the entry.
2. The exhibitor must be present and must participate at all times during grooming and care when assistance is being provided, except such times as the exhibitor may be exhibiting livestock in another class, getting themselves dressed/ready for a show.
3. Animals are to be washed, dried, and clipped only. Adhesives, glue, hair, hair spray, paint, etc. or anything that alters the natural appearance of the Animal may **NOT** be used
4. Each exhibitor is responsible for the care, showing and selling of his or her own animals until released from the fairgrounds.
5. If livestock are not properly cared for, water and feed requirements, and other necessary items will be supplied, with all costs thereof charged against such exhibitor and all ribbons and Ribbon Money "Fair Checks" earned by such exhibitor will be withheld under such circumstances to apply toward any expenses incurred.
6. All owners of property or livestock, or other persons in charge of property or livestock shall care for, guard, protect, and preserve property or livestock, so as not to cause injury or damage to any member of the general public, any other exhibitor, or any Searcy County Fair, Inc management.
7. Searcy County Fair shall not be held responsible for any loss or damage to any property of owners or exhibitors
8. The Searcy County Fair Inc and its insurance carriers are not liable or responsible for and expressly disclaim any liability or responsibility for the acts, failure to act, misconduct, or negligence of any third party relative thereto.
9. The official Searcy County Fair or their personnel veterinarian may be requested by exhibitors at any point during the fair. Exhibitors should contact Livestock for any requests. Exhibitor will be responsible for all charges associated with the request.
10. All stalls, pens, and aisles must be kept in a clean, neat, and orderly fashion and all trash disposed of as directed by the Superintendent.
11. Disqualifying Behavior: For Youth or Parent
Not Feeding and watering animals
Animal Cruelty
Leaving Animals in a dirty environment
Parents doing 100% of the care taking
Poor Sportsmanship
12. Cheating:
Altering the appearance of an animal,
Not following the rules established by the Searcy County Fair Livestock and Poultry Committee.
Using performance enhancing drugs such as certain diuretics, tranquilizers, anti-inflammatory agents, and feed additives.)
Fraudulent misrepresentation of the animal
Examples include false ownership, falsified birth dates and ownership dates, and surgical manipulation of the animal.
Pumping an animal (administering fluids/air into the animal stomach to make it look filled out or increasing weight)
13. Removing an Animal from the Stall or pen during School Day (Friday) 8:00 AM to 4:00 PM
14. Not fulfilling the requirements for 4H (six meetings/activities) or FFA

The Kitchen of the Arkansas Ozarks conveniently located Off Hwy 65 at the Searcy County Fairgrounds in Marshall, AR.

The Kitchen is a multipurpose Dual Certified Manufacturing and Food Establishment Facility, inspected By the Arkansas Department of Health, to meet the culinary Needs of the Ozark region of north central Arkansas.

From Commercial food Production to Putting food by to catering events to Family Events The Kitchen is designed to meet the food production needs of the Community.

All proceeds from the Use of The Kitchen will be utilized for the Maintenance and upkeep of the Facility. KAO is Available for rent By the hour or the day, Cleaning and Equipment use deposit are required .

Herdsmen Award

Herdsmen awards are based on the appearance and upkeep of the exhibit throughout fair week. Herdsmen will be judged and awarded based on a points system. Points may be earned for each of the following:

- ◇ Attending required exhibitor meetings.
- ◇ Helping with fair cleanup
- ◇ Attending specified workshops
- ◇ Preparation of Exhibit
- ◇ Appearance and Attitude of Exhibitors
- ◇ Care of Exhibit

Showmanship Award

Showmanship will be divided into age categories

- ◇ Pee wee—ages 8 & under
- ◇ Junior—ages 9-13
- ◇ Senior—ages 14-19

All Pee wee showmen will receive an award.

Pee wee Herdsman Award

Pee wee Herdsman is only awarded to exhibitors 8 and under. Livestock superintendents are responsible for judging and awarding this award to the Pee wee Exhibitor that has best displayed hard work, good attitude and willingness to help others.

All judges' decisions are final

1. If Arkansas is a class free state, Arkansas cattle are exempt from brucellosis testing. If Arkansas is not a class free state then the following testing requirements must be met: Negative brucellosis test within ninety (90) days prior to exhibition, for females and bulls eighteen (18) months of age and over. All heifers that have calved or are bred must be tested. Animals originating from a Certified Brucellosis Free Herd are exempt if the Certified Free Herd number is shown on the certificate.
2. All heifers that are four to twelve (4-12) months of age shall be vaccinated before entering show.
3. Heifers that were born on or after January 1, 1985, that are over twelve (12) months of age and not official calf hood vaccinates will not be allowed to show (unless they are from a Brucellosis Certified Free Herd.)

Class 131 Native Bred:

1. Class for Registered and Non Registered commercial Heifers
2. Youth Exhibitors must be registered in the Searcy County Junior Livestock Show
3. All Heifers must be bred and born in Searcy county, the farm may be partially in Searcy County
4. Youth Exhibitor may only exhibit 1 Heifer in this class
5. At Registration the youth exhibitor must indicate the heifer that will be entered into the class for exhibition. Only one can be chosen.
6. All heifers entered into the born and bred class may be subjected to a verification audit by the Searcy County Extension agent, FFA advisor or Searcy County Fair Cattle Superintendent from the registration Date to Searcy County Fair Livestock Exhibition.
7. Ownership must be in the Youth Exhibitor name by July 1 of the current year and cannot change after registration to the Searcy County Fair.
8. Heifers that have lost baby teeth are not eligible
9. Heifer Classes will be separated by weight only, depending on the number of entries
10. Placing will occur for every heifer in each weight class
11. Heifer must be exhibited by their owner
12. Heifers are to be washed (soap and water only), dried, clipped and a coat shine only. NO Adhesives, glue, Hair spray, Hair paint, or anything that alters the natural appearance of the animal may be used,
13. Heifers are only eligible for one lifetime Jackpot
14. \$20.00 Head Fee per heifer money to go to the Searcy County Fair for barn maintenance.
15. All awards, Jackpots, etc to be furnished by the community and distribution will occur after the Searcy County Fair at an event to be determined.
16. At no time will the Searcy County Fair be responsible for awards, jackpots or prize monies.

ARKANSAS SHEEP AND GOATS

1. Exhibition officials must maintain records of all sheep and goats that are exhibited for a period of five years, to include:
2. Identification Number Flock status as defined by the Voluntary Certification Program
3. The name, complete address and phone number of the owner.
4. Fair personnel, veterinarians, or state-federal personnel may examine sheep on grounds. Any sheep showing clinical symptoms of Scrapie shall be immediately quarantined in isolation and required to undergo any approved diagnostic tests and shall be consigned to slaughter or destruction with submission of tissues to an approved diagnostic laboratory at the exhibitor's expense.
5. Commingling (as defined by the Arkansas Scrapie Regulations) of sheep or goats of different flock status as defined by the Voluntary Flock Certification Program (VFCP) is prohibited and must be reported to the VFCP state official and State Veterinarian.
6. No sheep or goats showing symptoms of disease, particularly foot rot, sore mouth, sheep pox, evidence of fungal infection, evidence of abscesses or with draining abscesses will be allowed to show and may be released by fair officials, veterinarians, or state-federal personnel on entry form. Junior show only.

Selection and Preparation of Plant Materials for Floral Arrangements

Containers

Depending upon the class in which the arrangement is entered, the container can be a hidden part of the design (simply there to hold the arrangement) or it can be an important and interesting feature in the overall arrangement. To keep stems from being visible and becoming an undesired focal point, use a non-clear container. Clear containers are the LEAST desirable for floral arrangements.

Height

The longest line or the tallest point of the arrangement should be at least $1\frac{1}{2}$ times the container height (or diameter). In determining the correct overall height for the arrangement, use whichever container dimension is greater – the length/diameter or the height. For taller, upright containers, use the container's height in determining the appropriate overall height for the arrangement.

For example, if an upright container is 6" tall, the overall arrangement height will be at least 15" tall.

Container Height: 6", Plant Material Height: 9" (6" x 1.5) and Overall Arrangement Height: 15". For low oblong or round dish-type containers (1" or so), use the container's diameter in determining the appropriate height for the arrangement. For example, if an oblong container is 1" high and 4" long, determine the height of the arrangement based on the length of the container, not the height. The overall arrangement height will be at least 10" tall.

Container Length: 4", Plant Material Height: 6" (4" x 1.5) and Overall Arrangement Height: 10". In determining the correct overall height for a basket, use the height or diameter of the basket (whichever dimension is greater) not the height of the handle. Keep in mind that the height of the plant material includes any elements that extend below the top of the

Floriculture

Selecting and Preparing Houseplants

Plants should be healthy and vigorous, with no evidence of nutritional deficiency. Plants should be symmetrical in appearance, compact, and bushy; plants should not be scraggly, leggy or top heavy. Plants should not be overcrowded in their container. Consider removing pups or offshoots as they may detract from the symmetrical appearance of the plant.

Plants should be mature enough to be a good representative of the species and variety. Select plants typical of the variety in color, shape, and texture of foliage, stems, and blossoms (if present). Plants should be well-groomed. Dead, wilted, faded or damaged blossoms (if present) should be removed. Dead or damaged buds, leaves, stems or seedpods should be removed. Pruning and grooming cuts should be made at the node. Plants should be clean and free of soil, dust, or spray residue on leaves and flowers (if present).

No artificial coloring, leaf shine, spray, oiling, or wiring is permitted. Plants should be free of insects, or damage from insect, disease or mechanical means.

Container may be no larger than 12" in width (inside measurement) and 12 " in height (this is a requirement). Container should be in good condition, having no chips or cracks. The container should be clean and free of soil or salt build up on the rim or on the outside of the container. The container should be in good proportion to the size of the plant. The container should blend well with, and not detract from the plant. The soil should be clean and free of dead leaves or flowers, salt build up, mold, or weeds.

Cacti and succulents should have no broken, damaged, or missing spines. Dead or damaged blossom, leaves or segments should be removed. Vines should be well branched; vines should be pinched and pruned to control growth and prevent long or sparsely leafed stems.

Collections should have similar sun, water, and fertilizer requirements. Foliage and flower color, texture, shape, and size are important aspects to consider when selecting plants for effective container-grown collections.

JOHN NEEL

2025 LEGENDARY OWL

After graduating from Arkansas State University, Mr. John Neel's agriculture teaching career started at Flippin High School and finished at Marshall High School for a total 27 years. During those years, Mr. Neel had one national FFA officer candidate, three state FFA officers, four national band members, seven national judging team participants, 16 state winning judging teams, and one national proficiency award. With Mr. Neel's leadership, Marshall FFA Chapter was the top supporter of the Arkansas FFA Foundation for several years. Mr. Neel's former students have gone into many diverse careers due to their involvement in FFA. These careers include farmers, lawyers, doctors (both medical doctors and veterinarians), teachers, engineers, loggers, building contractors, poultry industry leaders, ministers, and political service.

Tenure: 27 years

The difference between the Searcy County Fair and Searcy County Junior Livestock Auction Premium Board

As some of you may know the Searcy County Fair and the Searcy County Junior Livestock Auction Premium Board (aka The Premium Board) are two distinct and separate entities. The Searcy County Fair represents all the youth who choose to exhibit in the Searcy County fair and the "premium board" represent the livestock Auction at the fair. In About 2009 the "premium board" was invented to separate the Livestock Auction from the Searcy County Fair. From this two boards where created and two accounting systems. The Majority of all donations have gone into the "premium Board".

The Searcy County Fair is a 501(c) 3 nonprofit recognized by the IRS and the State of Arkansas. The "premium board" is a nonprofit recognized by the State of Arkansas.

Any donations made to the Searcy County Fair will be used to the benefit of all the youth exhibitors and this may mean paying utilities, insurance and up keep to the fairgrounds. However, a donor can specify what the donations is to be used for and since the fair is a 501(c) 3 the fair will honor all request. Unfortunately the Searcy County fair cannot accept donations for any other nonprofit including the "the premium board". When making a donation to the Searcy County Fair the donor will receive a donation form in duplicate copies one to stay with the donor and one to go to the treasurer of the Searcy County Fair.

The Searcy County Fair is audited not only by the IRS but also the Department of Agriculture every year. The Searcy County Fair will provide transparency with all activities.

Below is the official donation Form for the Searcy County Fair. This will serve as the Record for your tax deductible donation to be used for Searcy County Fair donations only.

**This is the official Donation form for Searcy County Fair, Inc.
No other entity may use this form or EIN for any purpose.**

Searcy County Fair only receives limited funds from the State of Arkansas and nothing on a regular basis from any other entity. Your donation is of vital importance to the continued support of the youth of Searcy County and to keep the fair free of charge to the community.

Searcy County Premium Sale

Eligibility

1. Exhibitor must be a full time Searcy County Resident or be enrolled full-time in a Searcy County School.
2. Exhibitor must be a member of an FFA Chapter or 4-H Club in Searcy County. Participants must be at least nine years of age by the opening day of the Searcy County Fair and not older than 19 and must be enrolled in attending a college or university.
3. Participant's project must be made under the supervision of the Vocational Agriculture teacher or the County Extension Agent.
4. The Following Species will be eligible for Sale
 - Breeding Heifers less than 2 years old
 - Market Steers over 850 lbs and less than 2 years old
 - Market Hogs over 145 lbs
 - Market sheep over 75 lbs
 - Market Goats over 40 lbs
 - Dairy Cattle less than 2 years old
 - Dairy Goats Born After January 1 of the Current Year
 - Grand And Reserve 4-H Poultry Chain
5. All males must be castrated to sell.
6. Registered and Crossbred animals may be shown
7. Only heifers born between Sept 1, two years prior and April 15, of the current year are eligible
8. Crossbred heifers, market steers, market lambs and market goats must have baby teeth.
9. Dairy goats, Market goats, Market hogs and market Lambs must be born after January 1 of the current year.
10. An animal may only sell in one Searcy County Premium Sale during its show career.
11. Breeding animal registration papers should be included with entry form to verify ownership and birth dates.
12. ALL animals participating in the 2020 sale MUST have a permanent form of identification (tattoo, brand, etc.)

Ownership & Feeding

1. Participants must own their own animal, must have acquired title and taken possession of them at the beginning of and throughout the feeding and fitting period.
2. Animals must be fed, cared for and exhibited by the individual member.
3. Animals must be owned by:
 - ◇ Market steers May 15 of the current year
 - ◇ Market hogs July 1 of the current year
 - ◇ Market lambs July 1 of the current year
 - ◇ Market goats July 1 of the current year
 - ◇ Breeding animals July 1 of the current year
 - ◇ All other animals must be property of and/or registered in the junior exhibitor's name by July 15.
4. These dates are in accordance with the Searcy County Fair. Ownership deadlines for other shows may differ.
5. All junior livestock entries for the Searcy County Fair must be submitted by July 15 to qualify.

Showing Animals & Sale Order

1. All animals are to be shown by the exhibitors entering them unless unavoidable circumstances prevent the exhibitor from being present, in which case, another registered exhibitor.
2. Each individual exhibitor is responsible for seeing that their animals are led or driven into the ring in proper order.
3. The sale order for each animal species will be selected by the show judge for that particular species and headed by the Grand and Reserve Grand Champions.
4. Only one animal per exhibitor will be allowed to sell. Should an exhibitor qualify for more than two animals for the auction, the exhibitor must choose which one will be sold.
5. The Searcy County Premium Sale will be held on the final Saturday (10:00 am) of the Searcy County Fair.
6. Animals will be sold at auction on a premium only basis.

All rules and regulations for the Searcy County Premium sales are set by the Searcy County Premium Sale Board.

100 % percent of Jackpot donations and Premiums

What is 4H?

4H is delivered by Cooperative Extension—a community of more than 100 public universities across the nation that provides experiences where young people learn by doing. For more than 100 years, 4H has welcomed young people of all beliefs and backgrounds, giving kids a voice to express who they are and how they make their lives and communities better. Through life-changing 4-H programs, nearly six million kids and teens are learning the skills and abilities to be resilient, adaptable and ready for work and life.

4-H is a youth development organization that empowers young people with skills to succeed through hands-on learning experiences. It focuses on areas like health, science, agriculture, and civic engagement, and it is open to youth aged 5-19. 4-H programs are delivered through clubs, camps, and school enrichment activities, all guided by adult mentors.

Contact Shana Loyd at the Searcy county Extension Office for more information 870-448-3981

FFA is an intracurricular student organization for those interested in agriculture and leadership. It is one of the three components of agricultural education.

What do the letters FFA stand for?

The official name of the organization is the National FFA Organization.

The letters “FFA” stand for Future Farmers of America. These letters are a part of our history and our heritage that will never change. But FFA is not just for students who want to be production farmers; FFA also welcomes members who aspire to careers as teachers, doctors, scientists, business owners and more. For this reason, the name of the organization was updated in 1988 after a vote of national convention delegates to reflect the growing diversity and new opportunities in the industry of agriculture.

Today, the National FFA Organization remains committed to the individual student, providing a path to achievement in premier leadership, personal growth and career success through agricultural education.

FFA continues to help the next generation rise up to meet those challenges by helping its members to develop their own unique talents and explore their interests in a broad range of agricultural career pathways. So today, we are still the Future Farmers of America. But, we are the Future Biologists, Future Chemists, Future Veterinarians, Future Engineers and Future Entrepreneurs of America, too. Check with your schools Agri Teacher or counselor for more information.

1. Meats and non-acid vegetables must be processed by pressure cooker.
2. For judging and safety reasons jars must be clear with Mason or other standard/recognized name brand with a clean metal lid and ring. Jars with designs or etching will be disqualified. Ball Elite clear jars (square and spiral) will be accepted.. No “fancy packed” items.
3. Dried food must be in a clear jar and need not be sealed. They may be handled by the judges to determine stage of dehydration. Dried food entered in plastic bags will not be judges for Best of Show. Plastic bags will not be accepted as an exhibit!
4. Judging will be based on the latest USDA recommendations.
5. Due to Safety reasons no canned squash, pumpkin, will be judged. Pickled summer squash and zucchini will be accepted.
6. Follow all the USDA current Guidelines.

Family & Consumer Sciences

Rules and Regulations

1. Exhibits will remain in place until 12:00 noon on Saturday. Removal before that time will forfeit both premium money and ribbons.
2. ALL exhibits MUST be picked up between 12:00 - 2:00 pm on Saturday.
3. All articles and products must be the work of the exhibitor and should have been made/produced since last Searcy County Fair (excluding potted plants). Whenever the superintendent receives information that the article is not the work of the exhibitor, or doubts that it is, a statement will be required to remove any doubt. If it is proven that an exhibitor has entered a false exhibit, all premiums will be forfeited.
4. Entries are UNLIMITED. Exhibitors may enter multiple items in each class. With the exception of Collections and only 3 entries per Adult exhibitor will be allowed. 6 entries per youth exhibitors.
5. Unfinished or soiled articles will not be accepted.
6. Exhibits will be judged on their merits and judges will award 1st, 2nd and 3rd or no rating, as determined by the judges.
7. Exhibits will be judged on and the buildings will be closed to the public during judging. The buildings will be open after Judging is Completed on Wednesday.
8. For each class in the Adult Division, there will be a corresponding one in the Youth Division. The age of the youth exhibitor must be shown on the entry tag. Premiums will NOT be paid to youth exhibits under age 5 but will receive Ribbons or Stickers

Youth Ages 5 to 8

Youth Ages 9 to 13

Youth 14 to 19

Adult: age 20 and older

1. Every precaution will be taken against loss or damage to any article or exhibit and in no case shall the management be liable for any loss or damage that may occur to any exhibitor or spectator at the show.
2. A Best of Show rosette and a Second Best of Show rosette will be awarded to 1 adult and 1 youth exhibitor in each division, at the judge's discretion. All decisions are final.

Procedure for 100 items or more and unable to use Showworks

1. Over 100 items the exhibitor will have to
2. Bring a list of all the items at one time
3. make an appointment with a volunteer, who is willing to meet with the exhibitor
4. one month prior to September 1, to have the
5. items entered into Showworks
6. tags printed to take home
7. tag your items
8. bring your items back on the designated day
9. Need volunteers to sign up to meet with exhibitors
